Dear Name of Applicant:

Because of changes in our internal procedures, we are able to review documents only if they are submitted during a formal, in-person interview with a consular officer. WE THEREFORE ARE RETURNING THE DOCUMENTS YOU RECENTLY SUBMITTED.

When you believe that you are prepared for another immigrant visa interview, we ask that you sign and date the certification at the bottom of this letter and return it to us. Our address is at the top of this letter. DO NOT SEND ANY DOCUMENTS OR MONEY WITH THIS LETTER. After you return this signed and dated letter, we will schedule an immigrant visa appointment for you on the earliest date our limited resources will permit.

Please note that you **may** have to undergo another medical examination before your appointment (the examination fee is currently US\$85 for adults and US\$25 for children under age 15), and you **may** have to pay a new visa fee (currently US\$335 per person) on the day of your appointment. The visa fee is usually non-refundable, regardless of whether or not we issue a visa to you. We will provide you with specific instructions concerning any fees/medical examination when we mail you the Appointment Package, which will also inform you of your appointment date.

In addition, please bear in mind that we will be unable to issue you a visa on the day of your appointment if your documents are incomplete. If your visa is refused, you may then experience a lengthy delay before we can schedule another appointment. We therefore urge you to make sure you are truly ready for an interview before returning this letter to us.

Thank you for your cooperation.

**CERTIFICATION**

I certify that I am prepared for your office to schedule an immigrant visa appointment for me. I believe that I qualify for an immigrant visa. I have read the Poverty Guidelines (Form I-864P), and I believe that my economic documents are sufficient to satisfy the public charge provisions of the Immigration and Nationality Act.
